Online: sanmarcostx.gov/traffic

RAILROAD REPAIR C. M. ALLEN PARKWAY, April 12–16, from 8 a.m. to 5 p.m. Motorists are advised to follow detour signs and use Comal Street, LBJ Drive, East San Antonio Street, and Edward Gary Street to avoid the area. Public Services, 393.8036.

EAST McCARTY LANE, groundbreaking is April 13 at 9:30 a.m. The contractor will begin staging and start construction at the end of April to add new lanes, with minimal impact to motorists

with construction outside the existing road. McCarty will remain open until the final connection to the new improvements is made around October/November. Motorists should watch for heavy equipment, slow vehicles, and stopped vehicles between IH-35 and Old Bastrop Highway. Capital Improvements, 393.8130.

CHEATHAM STREET, from Riverside to McKinnon will be closed to through traffic from 7 a.m. – 6 p.m. for installation of new wastewater line. Construction began April 5 and will continue until the end of May. Motorists are advised to follow detour signs and use Haynes Street, Field Street, Sycamore Street or IH 35 frontage road to avoid the area. This is part of the Rio Vista Terrace neighborhood improvement project. Capital Improvements, 393.8130.

HAYNES, from Riverside Drive to Sycamore, road closed in different sections to through traffic from March 15 – April 17, for installation and testing of new wastewater line from 7 a.m. – 6 p.m. Motorists are advised to use Cheatham Street, C. M. Allen Parkway or Hopkins Street as possible detour routes. This is part of the Rio Vista Terrace neighborhood improvement project. Capital Improvements, 393.8130.

RANCH ROAD 12, 2400 block, lane widths will be reduced and shifted to allow construction of the next phase of Wonder World Drive in preparation for future tie-in to Ranch Road 12. No shoulders. Please drive carefully on narrow lanes and be aware of construction vehicles and workers in construction area. Traffic shift began Monday, March 22 and construction will continue until further notice. Capital Improvements, 393.8130.

SESSOM DRIVE, from University Drive to Academy Street for storm drainage and street improvements from March until early summer. Motorists are advised to watch for lane closures and construction crews. Capital Improvements, 393.8130.

CRADDOCK AVENUE, Construction on the Craddock Avenue extension from Bishop to Wonder World Drive will continue until end of May. Motorists should watch for heavy construction equipment at Wonder World, Bishop Street and the Park Road at the end of Franklin. Capital Improvements, 393.8130.

WONDER WORLD DRIVE AT HUNTER ROAD is open to traffic. Northbound motorist may make the right turn at Wonder World Drive versus Stagecoach Trail, although there is still some signage up detouring trucks to Stagecoach. Sidewalk is closed on Hunter at construction entrance until further notice. Public Services, 393.8036.
